FORUMS View All 3 Ask a New Question 1 Reply tetott 6 years ago 6 years ago Olympus BX Microscope Printed Circuit Boards It appears Olympus no longer supports their printed circuit boards after that making it difficult to keep these notsoold microscopes in service for our customers. In this era of financial austerity, being able to keep laboratory instruments like microscopes in peak running condition is well advised for any service company. It appears that several microscope mfgs discontinue support for their newest Microscopes after about six years. Does anyone have a problem with that. Many relatively new Microscopes are sent to surplus inventory because the printed circuit boards are no longer available. How do most lab managers and clinical engineers handle this. It seems like such a waste. Reply 1 Reply ski 8 years ago 8 years ago olympus lab microscope BX40 By continuing to browse the site you are agreeing to our use of cookies.
